

HANG TOUGH FOUNDATION CORPORATE SPONSORSHIP OPPORTUNITIES

The Hang Tough Foundation builds community and engages families through support and meaningful experiences during their journey with childhood illness and special needs.

Our vision is to encourage strong and resilient families to invest in one another and build a greater inclusive community.

#HANGTOUGHTOGETHER

BY THE NUMBERS

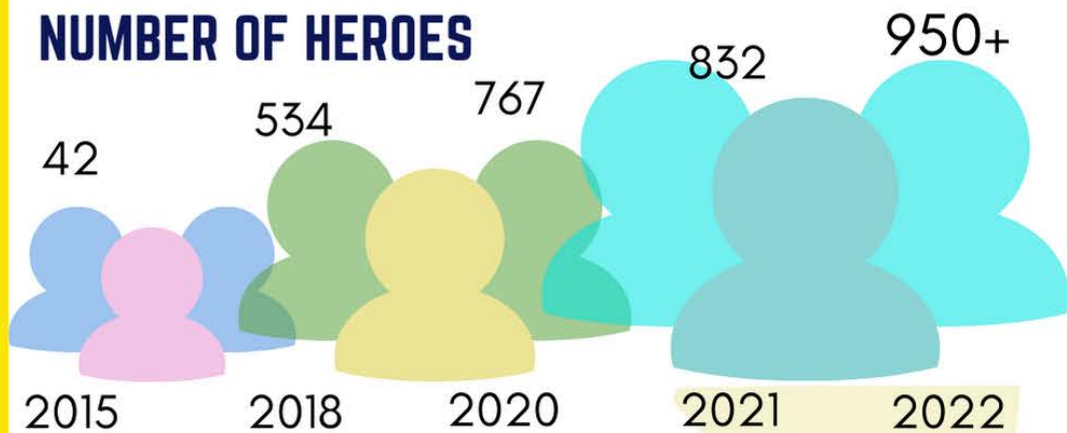

"Hang Tough has provided our family with a place to be ourselves- we can participate without worrying about judgement. Sharing activities with other families of exceptional kids is so important and makes us feel part of our community- something that many special needs families don't experience. We are so grateful for all that Hang Tough does- not only for our kids but also for our whole family!"

No matter the diagnosis, the family unit finds itself disrupted and reeling to establish a new normal. The ill child misses school, the siblings have feelings of rejection and isolation, finances suffer and the marital relationship falls on the priority list. In these times of great uncertainty and high stress, families often feel alone and unsupported as they navigate their new journey.

All of our programs and services are offered at no-charge to our families. The Hang Tough Foundation serves families with children ages 0-21 who have been diagnosed with a chronic or life-altering illness or special need. We serve families in Leon, Gadsden, Jefferson, and Wakulla counties.
