

## What We Do

The Hang Tough Foundation is dedicated to building community and engaging the entire family of a child diagnosed with a childhood illness or special need between the age of 0-21 in our local community.

We do this through a variety of programs that offer resources and encouragement to families on this unique journey.

## Our Mission

The Hang Tough Foundation builds community and engages families through support and meaningful experiences during their journey with childhood illness and special needs.

## Our Vision

To encourage strong and resilient families to invest in one another and build a greater inclusive community.
