What We Do

The Hang Tough Foundation is dedicated to building community and engaging the entire family of a child diagnosed with a childhood illness or special need between the age of 0-21 in our local community. We do this through a variety of programs that offer resources and encouragement to families on this unique journey.

Our Mission

The Hang Tough Foundation builds community and engages families through support and meaningful experiences during their journey with childhood illness and special needs.

Our Vision

To encourage strong and resilient families to invest in one another and build a greater inclusive community.

"Hang Tough isn't just an organization to us; they are a source of hope and strength when we need it most."
